STATE LEADERSHIP CONFERENCE HAS SOMETHING FOR EVERYONE

Vickie Skavenski, State Second Vice-President
Leadership Committee Chair

On Saturday, April 30th, we are having the Leadership Conference at the Flatwoods Convention Center. If you are a member of WWSO Delta Kappa Gamma, then you are a leader! This meeting is designed not only to train chapter officers. For one hour that day we will be focused on training officers, but there is so much more to offer to WWSO members.

The conference will begin Friday evening with a social for all attendees. Many of you remember Frances Witten and know that her fund covers the cost of the gold chain for the WWSO Achievement Award as well as a stipend for the yearly socials. These are two aspects of Delta Kappa Gamma that meant so much to Frances. Please plan to arrive in Flatwoods on Friday evening so you can enjoy the social. Since this will be the first opportunity to be together in person for a state event since 2019, we have a lot of catching up to do.

Saturday will offer opportunities for learning. Our keynote speakers, Randi Downs and Kathy Houghton, are going to talk about being “Better Together” and will explore what it means when a community collaborates around a shared vision. They will also speak about “Restorative Practices” and “The Leadership of Volunteerism” during Breakout Sessions.

Those who are not new chapter officers will have a chance to participate in Fast Break Sessions. After you get a snippet of information on a topic, it will leave you wanting to know more. When you decide what you want to know more about, the plan is to expand the 15-minute Fast Breaks into 45-minute Breakout Sessions at the 2023 WWSO Convention. The Fast Break topics include International Events, National Board Certification, Dolly Parton’s Imagination Library, Projects with Pizazz, The Iditarod Conference, World Fellowship/Schools for Africa, and Digital Scrapbooking. As you can see, there’s something for everyone.

During the luncheon, we will recognize the first wave of Local Leading Ladies, award scholarships, and present the State Achievement Award. Everyone will have the opportunity to view the exhibits—scrapbooks, newsletters, and newspaper clippings for new ideas to take home to their chapters. Mary Lynn Cocco will finally be able to give everyone a treat bag for the ride home.

If you have never been to a WWSO Conference, this will be a great day to begin, and if you have been to many conferences, then join us because we need your expertise. This will be a day where you can make special memories, take pictures that are not screenshots, and make you glad that you came to the conference. See you there!

Leadership Conference Registration Form is on Page 9

PERCEPTIONS FROM YOUR PRESIDENT...

By Joanne Gregory, WVSO President

Many of you have heard or read that the Executive Committee was preparing for a Revitalization Team for West Virginia State Organization. The WVSO Revitalization Team was established during the winter and participated in a Zoom with Connie Rensink, 2018 – 2022 International DKG Member-at-Large, on February 26, 2022. Connie is serving as our connection with the International President.

The morning started with each member introducing herself answering the following questions. How long have you been in DKG? What motivates you to be active member of the Society? What is going well in West Virginia? Brenda Epling, **Xi**, is our newest member and Cookey Gunther, **Alpha Delta**, is our most senior member on the team, and each of them was eager to listen and share their insights. Susan Marra, **Gamma**, was invited to join Delta Kappa Gamma by a teacher she admired so much that she had to say yes and became a member who steps up to lead in any way she can. Dr. Glenda Wait, **Xi**, joined DKG when she lived in New York and transferred her membership when she moved to Glade Springs. Barbara Tabaretti and Joanne Gregory, both **Beta** members were inducted into chapters that have since

merged with other chapters. Vickie Skavenski and Vickie Saville of **Alpha Kappa** chapter are retired teachers who have a passion for building membership through the addition of new members as well as the reinstatement of former members. Deloris Lipps, **Mu**, enjoys meeting DKG members from across the world as she travels to international conventions and conferences. Members who were not satisfied with only dipping their toes into the water but plunged in with their whole selves include Linda Arbogast, **Epsilon**, and Connie Boggs, **Gamma**, who accepted leading roles in their chapters soon after they were inducted. Gloria Urian, **Alpha**, and Lauren Jarroll, **Nu**, believe the connection with other educators and the mentoring that can happen in DKG are the best aspects of membership. Vicki Jenkins, **Eta**, is grateful for the multiple sources of communication that are available to WVSO members. It is clear that mentoring, enjoying fellowship, and making connections are leading motivators for staying engaged in the work of DKG.

Following the introductions, Connie Rensink opened an app called “Jamboard” where all participants were able to type ideas onto sticky notes that were posted on the board. The comments were responses to the question, “What does WVSO need?” Connie was able to group the sticky notes into categories that included: developing and empowering leaders, looking at new ways of doing things that “have always been done that way,” providing meaningful programs, and recruiting and mentoring members.

In the afternoon, the group went into breakout rooms where they discussed two topics. After 45 minutes, the groups came back together and reported. A snapshot of the ideas is listed on the next page. How many of these could be applied in your chapter? Which ones would you like to learn more about from a member on the Revitalization Team?

Continued from Page 2 - Perceptions from the President

Engaging Active Members & Leaders	Recruiting New Members by Building Name Recognition
Partner new members with veteran members.	Look into all schools in your area.
Have DKG handouts for each county at the beginning of the school year.	Watch for teachers recognized in the newspaper, on television, and in BOE meeting notes.
Have members volunteer for committees based on their personal interests and strengths.	Ask grandchildren and neighbor kids about their favorite teachers.
Make officer responsibilities clear to members.	Put stickers into books that your chapter donates.
Use WVSO and International handouts to support membership.	Wear your Local Leading Lady button when you volunteer.
Allow pairs of members to serve as officers with one "on the books" as the officer and the other as support. Switch roles the next biennium.	Expand your definition of teacher to include business trainers, museum curators, pre-school teachers, librarians, etc.
Have engaging speakers and programs with projects to involve members.	Welcome new teachers in the county with a note and gift card from DKG.
Offer financial assistance for state meetings.	Write articles for the newspapers.
Stress that the Leadership Conferences and Conventions offer something for everyone.	Visit the new member section on the DKG website.
Provide mentoring for members.	Recruit college/university education students.
Provide babysitting or a place for members' children to play or study during meetings.	Stay in touch with grant-in-aid recipients as they go through college. Mentor and support them.
Ask for guidance from the Revitalization Team.	Don't assume someone is "too busy" to join.

The Revitalization Team will meet in March to plan for some next steps. They will be looking at their notes from the February Zoom. As they determine what to recommend to chapters, they will take into consideration the following:

1. What can we suggest that would be the easiest to implement?
2. What can we do that will make the biggest difference for WVSO membership?
3. How can we involve the most members in a plan of action?
4. Do we have or can we access the tools for implementing ideas?
5. What is the best way to communicate and share ideas?
6. How can the Revitalization Team play a role in helping chapters?

During the WVSO Leadership Conference the Revitalization Team will share ideas with you. We welcome your suggestions or concerns. Feel free to contact any of the ladies on the team or get in touch with your WVSO president. Anything that you let us know about prior to March 15 will be addressed at our next meeting.

Thank you for taking time to consider ways to help WVSO prosper and grow!

I hope to see you at the WVSO Leadership Conference in Flatwoods in April.

STATE NECROLOGY REPORT UPDATE
VICKIE SKAVENSKI, STATE MEMBERSHIP CHAIR

During the February State Executive Committee meeting we ran into a question about the forms used for reporting the death of a chapter member. When you have a death, you need to go to the International Website and click on Forms and then go to Membership. There you will find **Form 6** which you can either fill out electronically or print it out to fill-in the form. When you have finished you need to email it to International mem@dkg.org, to our state treasurer, Deloris Lipps deljlipps@gmail.com, and to me at wvelac_2000@hotmail.com.

Then, in February of each year, you need to go to the International Website if you have had a death in your chapter and go to Reports—Chapter Necrology Report which is Form 2. This is a year end summary that needs to be sent to the state second vice-president and to your chapter president.

Next year at the convention we will be honoring the members we have lost. Please watch the Newsette each time for the list of White Roses to make sure that we are not missing anyone.

DKG LEADERSHIP: FEAR NOT!

By Rebecha Catlett, Nominations Committee

In order for any organization, including DKG, to remain thriving, achieving, and impactful, leadership is vital. The organization needs members at the ready to step into leadership roles at the local, state, and international levels.

Why are some members afraid to say “yes” to the opportunity to serve DKG in a leadership role? Perhaps the reluctance of some to accept potential leadership opportunities is rooted in three fears easily overcome.

Fear 1: “I am not qualified. Other members are much more qualified.” The Roosevelt adage, “Comparison is the thief of joy,” applies in many areas of life, including leadership. An honest self-assessment may indeed lead one to conclude they are not the most qualified. However, members grow in their individual experience and qualification as they accept leadership responsibilities and demonstrate lifelong-learner attributes. Leaders of chapters, state committees, or international endeavors have multiple resources available to them for guidance, support, and training. Stop waiting to feel “ready” or “most qualified.” Reflect on the society’s vision statement. “Empowering Leaders: Impacting Education Worldwide.” This lays clear the empowering nature of leadership. Many enthusiastic mentors will rally around, support, and encourage emerging DKG leaders to navigate challenges of all sorts. The society empowers leaders, and in turn, leaders impact education and the world. A perfect and specific example of leadership growth, opportunity, and support can be found in the DKG Ignite program.

Fear #2: “I don’t have the time. I can’t travel for meetings.” Members of DKG tend to be very involved in their local schools and communities because they are local leaders; intelligent, inspiring, and dynamic. Time is certainly finite. However, 21st century technology provides leaders and teams with tools to streamline and make work efficient and respectful of time. The utilization of Zoom and other video conferencing tools have made it easier and more efficient to meet than ever before. Geography, inclement weather, busy schedules, and even the challenges of a pandemic have seen DKG members around the world meeting via teleconference. Hybrid options can be provided to those unable to travel. Using shared electronic documents, members can collaboratively author documents and presentations with ease. Electronic documents have also eliminated the need to “reinvent the wheel” with each new biennium. Emerging leaders can easily access the electronic documents of seasoned leaders, and this information can be shared quickly with stakeholders, using RemindMe, text, and Facebook groups. Cumulatively, these tech tools reduce the time needed to lead effectively.

Fear #3 “I may make mistakes or even fail.” Even the most accomplished and competent leaders in the history of the world made errors. Their leadership experience was fortified as they learned from those mistakes and changed course. Regrouping, finding workable solutions, and flexibility are all marks of a growing leader. A mistake or failure doesn’t determine an end only the beginning of the next best solution and opportunity for personal and professional growth.

Fears can paralyze the ability to grow and develop leadership skills, individually and corporately. With confidence, be encouraged by the current and past generations of strong women leaders in education that buoyed Delta Kappa Gamma Society International in its efforts to impact education worldwide. Seek out leadership trainings, opportunities, and personal mentors.

WHO CAN BECOME MEMBERS OF DELTA KAPPA GAMMA?

Vickie Skavenski and Deloris Lipps

As we look to grow our membership statewide, we need to look at a workshop presented by Texas member Bonnie Moore at the San Antonio Conference. She suggests that we stop thinking of “teachers” and start thinking “educators” which opens membership to anyone who does any kind of training within their job or privately. Places where you can now look for new members include counselors, personal trainers, bank trainers, camp instructors, librarians, human resource trainers, IT trainers, university staff members, yoga and CPR instructors, corporate trainers, financial counselors, Christian education directors, preschool teachers, facilitators, trade school teachers, food service trainers, paraprofessionals, museum curators, private music and dance teachers, and coaches.

You can see that this now gives us a much broader area to look for recruits to build up our membership.

WV LOCAL LEADING LADY AWARD RECIPIENTS

The Educational Excellence Committee of WVSO DKG is pleased to announce the Local Leading Lady award winners for the period ending February 1, 2022. The following women have been nominated by their peers to be recognized for their volunteer efforts within their communities. Take time to read about each lady who is receiving the award and visualize the impact they are making in their schools, churches, and communities.

Please join me in congratulating these outstanding Local Leading Ladies who are superb community volunteers! Our next round of applications will be accepted until May 1, 2022. Please email applications to me at jenkinsvicki00@gmail.com and to our president, Joanne Gregory at busyteach@gmail.com.

Harriet Leurant (Beta) served Beta Chapter as president for 8 years and is on the Board of the Woman's Club of Charleston. She plays French horn in the Charleston Metro Band and plays with the Brass Quintet at the Baptist Temple. She is in the choir member and is a member of the Baptist Women Mission Representatives.

Karen Winter (Beta) is vigorous leader in her church and plays her flute on Sundays. She has taught Sunday School, was Children's Church School Superintendent, Chairman of the Church Preschool Board and was on Church Council. She also belongs to the Kanawha City Community Association and is on the "Bike-a-Thon" committee, the Charleston Citizen Police Academy Alumni Association, and is a member of the Kanawha Valley Community Band.

Kathy Bennett (Eta) is a former State Chorus Director and State Achievement Award recipient, and each week she gives her time as a Read Aloud WV Volunteer to a fourth grade and a fifth grade class at a local school. She not only reads but always adds some "drama and involvement" for the students. Kathy also volunteers at the school and collects materials to laminate. Kathy always writes a note and attaches it to each project, so the teachers receive a happy gram.

Peggy Whetzel (Eta) is the current Eta Chapter president and has managed to successfully lead the chapter through many Zoom meetings. Peggy volunteers as a lector, server, and vestry member of the Trinity Episcopal Church in Martinsburg. Peggy was a Read Aloud WV volunteer until she returned to work as a mentor. Her leadership in Delta Kappa Gamma, her church and her current job make her a faithful servant to the impacted of her life.

Kathy Yost (Eta) is acting President of the Morgan County Association of Retired School Employees. She served as president for approximately 10 years. Additionally, she is an active member of the Foxglove Garden Club and is the chairperson of the Trinity-Asbury United Methodist Church's Parish Relations Committee in Berkeley Springs. She also teaches Sunday school and Vacation Bible School.

Adena Barnette (Alpha Delta) was recognized as the Gilder-Lehrman 2021 WV History Teacher of the Year and is advisor to the elite Rho Kappa Social Studies Honorary. In August 2021 Adena was elected President-Elect of the WV Council for Social Studies, having previously served as secretary. Adena is President of the Jackson County Education Association and President of the JCEA-PAC. Adena is a vivacious advocate for equity and access of public education.

Karen Larry (Gamma) is an active member of numerous organizations in Philippi: Adaland Mansion, the Philippi Convention and Visitors Bureau, Philippi Main Street and Christmas Committees, and the Beautification Volunteers. She is also an energetic member of the St. Elizabeth Catholic Church where she is a lector, Eucharist Minister, and representative to the Clarksburg Vicariate & Diocesan Synod, among others. She sits on the Board of Directors for Heart and Hand House where she also serves on the program committee.

Marion Tanner (Omega) is strongly involved with her community and church. Marion is a current Fayette County Board of Education member and was instrumental in reviving the Read Aloud WV program for her county. Marion is the driving force behind the establishment of the Dolly Parton Imagination Library and has been able to procure many donations to purchase books and toys for a Christmas Toy Fund. She is also a dutiful volunteer at her church where she serves as the Missions Coordinator and on the Scholarship Award Committee.

See more Local Leading Ladies on Page Eight

NEWS FROM THE CHAPTERS

Eta

Eta Chapter is looking forward to the last two meetings for this biennium because we will celebrate Eta Chapter's birthday, recognize our members who make a difference in our communities, and have our very own member, **Janet Lohr**, present a program on her Book Drop Vending Machine. We will get to hear about her hard work to get books in the hands of many children in the southern part of Berkeley County. Eta Chapter will, in turn, collect books to support that and make books available for many students in Berkeley, Jefferson, and Morgan Counties. In April, we will induct new members into Eta Chapter and install new officers. Our chapter will also have a memorial service for our beloved members who passed this year. We are dedicated to remaining a strong and growing society of women educators.

Pi

At the December meeting, Pi Chapter celebrated **Sybil McCoy**. On December 15th she was 95 years young. Sybil was celebrated with gifts, cards, and a cake. She has been a member of Pi Chapter since 1975. We appreciate you, Sybil McCoy!

Alpha Iota

Our chapter members enjoyed a beautiful Christmas luncheon sponsored by our Beta sisters in December at the John XXIII Center. Alpha Iota's monthly meeting centered around gift preparation for The Rea of Hope and the Davis Child Shelter. Each executive board member and key committee chairs were presented with a pair of red rose earrings as a symbol of our dedication to the DKG sisterhood.

January's planned legislative meeting with Bill Milam was canceled due to winter weather and members' Covid concerns. Cards were sent out to sisters under the weather. Legislative issues were followed digitally.

Hearts and pink surrounded February's meeting theme of heart health for women. Holley Mitchell, impact director for the American Heart Association, presented a powerful slide show and gave out handouts to help our ladies implement suggestions. We are going to make one of the recipes for our end-of-year celebration. Holley surprised each member with a "Little Red Dress Pin"! During our business meeting our ladies made a commitment to the "Imagination Station" program. In May we will make a \$625 donation for the 2021-2022 year. Thereafter, for the next five years a donation of \$625 will be made on July 15th! Now this is dedication to a project near and dear to Alpha Iota members' hearts!

*Alpha Iota members **Coleen Vannoy, Yvonne Martin, Martha Hopper, Michelle Shomo, Pat Schillings, and Margie Turley** are also involved with Kanawha County's retired association!*

Beta

Beta Chapter hosted the joint Christmas Luncheon with Alpha Iota Chapter at John XXIII Pastoral Center on December 11, 2021. Brandie Turner, Fundraising Coordinator for Dolly Parton's Imagination Library, was our speaker. She presented very interesting and informative information. Beta and Alpha Iota chapters made a joint contribution to XI Chapter who has already started their fundraising for this program.

In addition, Beta and Alpha Iota chapters presented gifts to children housed at The Davis Child Shelter. In addition, both chapters collected gifts for children living at Rea of Hope, a program aimed at helping women suffering from drug and/or alcohol addiction. Both agencies were very appreciative of the gifts.

NEWS FROM THE CHAPTERS

Alpha

In two weeks, it will be two years since we all have been living under COVID-19. It has been heartbreaking and devastating to lose over 800,000 Americans. The ripple effect of COVID has changed everyone's life. It certainly has changed the way we conduct our DKG Alpha Chapter meetings.

For the first year (April 2020-March 2021) we never met in person but had all our meetings on Zoom. There's always a silver lining to every cloud – we learned more about connecting with each other virtually and online meetings proved easier for many. We had to “think outside the box”. We figured out ways to donate needed supplies by meeting in parking lots or dropping off items on someone's porch. Then one person would deliver to the local pantry or a women's shelter or wherever the supplies needed to go. We also used “real” letters to send money to the Treasurer. One member sent out monthly newsletters, with photos to those unable to connect electronically in order to keep them informed. Another member sent out birthday cards to everyone on their special day. We even learned remotely how to video tape ourselves reading a children's book out loud and then sent the video electronically to the City Mission along with a hard copy of the book. Now that was a challenge! Because we were using Zoom, we were able to have 8 meetings – one more meeting than we normally have in a year.

In September 2021 we were determined to meet face to face, so

after most were vaccinated, and later boosted, we donned our masks to meet at a local outdoor shelter. We brought our own dinners and met our scholarship winner, inducted a new member and installed new officers (a year late!) For the next two months we met indoors in large (ish) areas still wearing our masks. But when the Omicron surge hit, we decided not to gather for our annual holiday get together. We went back to our Zoom meeting in February 2022 and had a great turnout with 17 members participating. We hope to meet face to face (isn't that strange to say – “face to face” when for so long we took it for granted?) in a meeting room at the Pizza Village Inn in Point Pleasant in March. So, if nothing else, we've learned to be flexible and thankful for the internet, the telephone and the Post Office and especially the scientific community for coming up with vaccines and masks so we can get back to being with each other “face to face” again.

Mu

Meghan Sinclair of Roane County was inducted at the November meeting. She teaches first grade at Geary Elementary School. Meghan is excited to be an educator. She knew from a young age that she wanted to become an educator and to make a difference in the community. Meghan's hobbies include making blankets, traveling, and spending time with her family and her dog. She is part of the Blue Grass Riding Club.

Mu Chapter President Brittney Vaughan with Meghan Sinclair.

Alpha Kappa

Alpha Kappa has been having hybrid meetings to accommodate as many members as possible. We have also been sending out minutes to members after each meeting. Currently we have many things going on at the chapter level—in March we are meeting at the Forman Community Center with Hampshire County as the host county. We are going to vote on new members—we have eight great possibilities—and encourage three former members to return. We will also be voting on officers and getting registrations done for the WVSO Leadership Conference. Members will be bringing bags of hard or chocolate candy for the tables at the conference as our contribution. We also have a lovely red DKG tote bag as our door prize for the day.

At our April meeting at Moorefield Middle School hosted by Mineral County, we will induct our new members and practice our “Hats Off” skit for the conference. Between officer training, the skit, and our exhibit entries, we hope to have many members going to Flatwoods. We challenge every chapter to bring at least four members, and that would make a great day of over 100 members!

LOCAL LEADING LADIES CONTINUED...

Susan Garrett (Alpha Kappa) is a 40-year member of the Moorefield Fire Company and has served the Ladies Auxiliary for 46 years. She is active in the local and state DAR and is treasurer to the Board of Directors for McCoy's Theatre. Susan is also an active church member at Duffey Memorial United Methodist Church where she serves on numerous committees and is a Hand bell Choir member. Susan serves as secretary of the Highland Stars Quilting Guild and secretary to the Hardy County Community Education Outreach Service (CEOS).

Robin C. (Alpha Delta) is involved with the technology in her school and serves on the LSIC, PTO, and as the lead when the school principal is absent. Robin is the "Flower Fund Lady" in her school, and she serves as the WVEA representative of the school. Currently, Robin is in pursuit of her National Board Certification for Principal. While she trains and mentors other teachers, she also serves as a Professional Development Leader in her county. Even with her many duties, she still finds time to sing in her church choir.

Geneve Gourley (Alpha Iota) lives her belief in giving by volunteering for the East End Resource Center where she serves on the board. As a retired principal, she has executed a variety of talents and resources by planning and fundraising for this after school program that provides many activities for the youth such as tutoring, daycare, field trips, art classes, and computer usage.

Jackie McDaniels (Alpha Beta) is a dynamic member of the Alpha Beta Chapter who has helped lead her chapter to host two state conventions. She serves on her local Solid Waste Authority Board and is active in her church where she participates in weekly community dinners. Additionally, she has served at the local and state level of the West Virginia Professional Educators Organization. She is technology savvy and is always ready to lend a helping hand.

Nancy L. McVaney (Alpha Zeta) is a "retired" teacher with 40 years of experience that she shares with multiple organizations including the Baptist Church (Deacon, Scholarship Chair, ABW President, Sunday school teacher, and Ladies Circle member), the Lions Club, the Ambulance Board, and the Gilmer County Recreation Center. Nancy still subs! She assisted the local FFA Chapter with many activities (especially fundraising) and is a regular at all sporting events where she serves as a spotter to the folks in the press box. Nancy also presents workshops and in-services for teacher preparation programs.

Sandi Huff (Alpha Iota) has volunteered in the Kanawha County Association of Retired School Employees for many years. A former president, she now serves on the board. While limited due to Covid, Sandi has volunteered at the Charleston General Hospital for five years. Sandi is a member of the Sacred Heart Co-Cathedral Christian Service Committee where she sends cards and volunteers at the gift shop. She sends a quarterly class update and has organized the two most recent reunions for the 1956 class of Charleston High School.

Carol Skenuski (Alpha Beta) is a retired educator who volunteers her energy to Buckhannon-Upshur Middle School. Her assistance has been most appreciated during the Covid pandemic. Additionally, she volunteers at the "Christmas Store" where low-income families can receive Christmas gifts and giftwrapping. She is always ready to assist others in need and is described as always having a sympathetic ear.

Betty J. Inskeep (Alpha Kappa) is an Elder in the Petersburg Presbyterian Church, is chair of the Mission and Ministry Committee, and a member of the Fellowship Committee. She lives a life of mission serving many community organizations (Warm the Children Backpacks, Toys for Happiness, Operation Christmas Child, and others. An active Community Education Outreach Service (CEOS) member, Betty also serves on the County Council, and serves as President and Purposeful Chair of the Lahmansville Club. She also helps with 4-H and MANY other organizations!
